

# Index to *The American Cartographer* Volumes 7 and 8 1980-1981

This index includes all principal articles and all news items published in Volume 7 (1980) and Volume 8 (1981) of *The American Cartographer*. An index is published at two-year intervals. Principal articles are indexed by title and author, other items by title only. The first author's name is in capital letters although articles are referenced under each author as well as by title. For the convenience of persons referring to unbound numbers of this journal, the issue number has been included after the volume number, followed by the page numbers. The following summarizes page contents:

Volume 7: April 1980	No. 1 (pages 1-96)
October 1980	No. 2 (pages 97-191)
Volume 8: April 1981	No. 1 (Pages 5-96)
October 1981	No. 2 (pages 97-199)
